Putting Premium Finance
to Work for you ...

Live Wise. Live Easy

Insurance Premium Finance

You can now take advantage of Insurance Premium Financing which is a specially designed facility to assist individuals with paying annual insurance premiums.

Features

- Minimum borrowing limit of \$4,000
- Minimum loan term of 12 months.
- 20% deposit to be provided upon approval of the loan
- ACH payment facility for Loan repayment
- Competitive Interest rate
- Quick Loan approval
- Account information available online

Benefits

- Increase individual cash flow by allowing for payment of premiums in installments versus a lump sum.
- No legal or commitment fees.
- No need to assign assets as security for the loan.
- Multiple insurance policies can be attached to a single premium finance contract, allowing for a single payment plan to cover all insurance coverage.

Premium Financing can be used to pay general insurance premiums for:

- House - Fire & Contents
- Marine - Pleasure Craft
- Motor Vehicles

To Apply

Visit any one of our offices, fill out an application form and walk with the following documents:

- Insurance Premium Quotation / Renewal Notice
- Salary Slip/Proof of Income
- Proof of Address e.g. utility bill (e.g. TSTT, T&TEC, WASA)
- Two (2) forms of identification (ID Card, driver's permit, passport)
- Bank Statement
